MASSAGE & PAIN RELIEF

FEATURING

moji  HEAT™

LIVE PAIN FREE. STAY ACTIVE. DO WHAT YOU LOVE.

gomoji.com

WHY MOJI? Moji's mission is to help people of all ages live pain free and stay active. That's why we have created an array of best-in-class patented massagers, rollers, wraps, and other premium products that make people feel great. When daily pain and stiffness strikes, Moji is the answer.

Our latest cutting edge massagers –our MojiHeat™ balls and roller– combine the benefits of massage with the awesome power of

therapeutic heat to soothe muscles throughout the body. Moji developed these massagers by building on its success with its PRO and Travel-friendly massagers. Adding heat is a game changer. Heat added to massage creates an incredible relaxation and pain relief combo that feels great.

No matter what Moji product you choose, Moji will help you live pain free, stay active, and do what you love.

WHY ADD HEAT?

- Heat helps muscles and tendons relax, allowing for a greater range of motion.
- Massage reduces muscle soreness, increases blood flow, and triggers a release of endorphins.
- Heat and massage together feel GREAT!

MOJIHEAT™ MASSAGE ROLLER

THE HOTTEST DUAL THERAPY ROLLER

A game changing dual therapy roller that combines the benefits of traditional foam rolling with the comfort and relaxation of therapeutic heat. The MojiHeat™ Roller is the hottest roller on the market! This roller features a 2-piece design that fits easily into most microwaves.
